

PRACTICAL TRAINING (2010-2011)

NORTHERN RESEARCH INSTITUTE (NORWAY)

The University of Sevilla is offering grants for students to participate in the program of Erasmus Practical Training, <http://www.internacional.us.es/erasmus-practicas>. Students willing to participate under the modality B needs to provide a support letter (“Compromiso de Participación en el Programa Erasmus de Prácticas en Empresas”) from the company.

The deadline to apply in the Erasmus Practicas Web is 3rd of March and the required documentation can be uploaded until 15th of March.

The Northern Research Institute (NORUT) from Tromsø (Norway) is offering internships positions for students who are applying to “Erasmus Prácticas”. We offer:

- Integration in a multidisciplinary research group working in different areas of ICT applied to health, education and aeronautics
 - <http://www.slideshare.net/luis.luque/ehealth-norut-catedra-sevilla>
 - <http://www.slideshare.net/luis.luque/norut-ict-2009-jornada-con-fidetia-univ-sevilla>
- Pre-selected candidates will receive from Norut the support letter (“Compromiso de Participacion”) so that they can apply to the Erasmus Prácticas program under modality A.
- The Erasmus Grant will be complemented so that the student will receive up to 1000 Euros monthly, housing and flight tickets.
- The students will also receive support from FIDETIA as part of the collaboration between FIDETIA and NORUT (e.g. sponsoring the flight tickets, advising students).

The priority will be given to students who want to make their Master Thesis (Proyecto Fin de Carrera) during their internship during a period between 4 and 9 months. Required skills are fluent English, creativity and interest for research.

Students interested to participate must send their CV and short interest letter (max 1 page) in English to luis.luque@norut.no before **5th of March 2010**. The email must indicate the desired period for the stay.

The pre-selected students will receive the “Compromiso de Participacion” from Norut not later than 10th of March. Even a student who is not granted with the Erasmus scholarship the may be offered an internship position.
